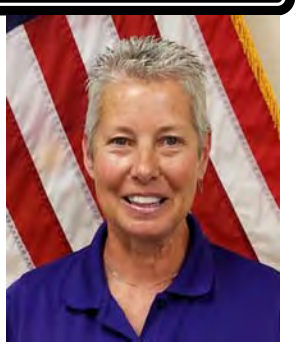
A FAMILY FOUR-WHEELING CLUB DEDICATED TO THE MOTTO -------- "TREAD LIGHTLY!"

President's Corner



Hello H4W! Summer is almost here and our jeeping season is starting to wind down. The spring rains have given us some beautiful wildflowers and cactus blooms to enjoy. As the weather warms up, please be mindful of the desert critters that may be out and about, I have personally seen two snakes in the past week! One was the largest rattlesnake I have ever seen!!!

The month of May brings us the opportunity to honor some very special people. Our mothers, whether they are our very own mothers, mothers of our children, grandmothers or a mother figure. Also, our military forces, past and present. We take time to honor those who have served our country and paid the ultimate price to guarantee the freedoms we enjoy. I would like to remind you that even in these days of conflict, tragedy, and uncertainty, there are values worth fighting for. Thank You.

We had our first board meeting with our newly elected board. We spent time working on the budget for next year which we presented to the club at the general meeting.

We held our club's annual Ranch Day and had 14 club members show up to clear brush from what seemed to be miles of fencing…..but was really only about a mile or so. Our work was very much appreciated. Thanks to everyone who spent the day at Cane Springs.

Chicken in the park was held on April 9th, we had about 150 club members present on what was the windiest and warmest day of the year so far! Thanks to all who ventured out into the weather and those who helped make this event happen. The food was awesome and the conversations flowing. Plus a learning lesson for the new President: I need to step up my crowd control tactics and get the BIGGER PA system dialed in for use too.

Thanks to all who volunteered and supported the annual trip to Moab. I am sure fun will be had by all, send pictures.

A gentle reminder that the club does not hold meetings during the months of May, June, July and August. Our first meeting of the new season will be on Thursday September 26, 2019. Be sure to mark your calendar. Please check the club website for events taking place during the summer.

Jeep saying: I never get lost, I have JEE.P.S.

Have a fantastic summer!
Julie

A HAVASU 4 WHEELERS CB CONVERSATION

(exaggerated a bit)

As Yogi might have said, "Ninety percent of jeep- driving is having fun. The other half is talking on the CB."
(Drivers pre-run meeting)

Run Leader: Good morning. This is going to be a great day. I really enjoy leading runs like this…lots of good CB conversations between really great friends. If we get bored, we can talk about creosote plants, just like Tom.

Driver: Nobody's bored.

Run Leader: OK…Any questions?

Driver: You're supposed to do a radio check. Did you forget? Good run leaders always do that!

Run Leader: OK…"If you **CAN'T** hear me, call me back."

(Silence)

Are you all better now? Let's roll.

Driver: Wouldn't it be better to say, "Let's move". Roll is like, well, you know.

Run Leader: OK…What ever? Let's move. Coming up soon we will make a quick turn to the left.

Driver: Can't we just turn slowly?

Run Leader: I think you know what I meant. Driver: Roger…I guess.

Second Driver: This is Roger. Someone calling me? Run Leader: No Roger. No one called you.

Tail Gunner: Are you sure we are not gonna turn right?

Run Leader: Well, If you're coming from the other direction, you turn right.

Tail Gunner: Does that mean we will turn left? Run Leader: Right. Left.

Tail Gunner: Right is wrong?

Run Leader: Left is right. So don't turn wrong…quickly.

Tail Gunner: I don't want to turn left. I want to turn right. I'm just gonna follow the jeep behind me.

Run Leader: You can't do that. You ARE the tail gunner.

Remember? No one is behind you. And, I AM the run leader!

Tail Gunner: Well Mister, I guess I could if we were all driving backwards and then *left* would be *right*! Correct?

Another Driver: This is starting to sound like *Who's on First.*

Third Driver: Roger that!

Second Driver: This is Roger. Someone call me?

Run Leader: NO, ROGER. NO ONE CALLED YOU! I'll let ya know when. Maybe we all should just drive for a while and give our radios a REST!

Fourth Driver: Well, Mr. Rubber Duck Run Leader, you don't have to get all negatory about it, SON! You do know you're talking to a living legend, don't ya?

Run Leader: Ooohhh PLEASE, Burt. You're not the *Bandit* and you're not driving a black '77 T-top Trans AM with a big gold screaming chicken on the hood. You're a legend alright, but not in the way you think. You don't have to get all itchy about it. JUST STAY OFF THE RADIO!

Fourth Driver: (pout) Well, I'm hammer down, Havasu bound!

Automatic External Defibrillator

If you want to carry one of the club's Automatic External Defibrillators (AED's) on a run, please contact Mike MacLean and make arrangements to check one out before your run.

Thanks, Mike Yahrmarkt

Run Chairman

Run Leader: Take a deep breath, Burt. You have just been watching too many convoy movies.

Fourth Driver: OK, Mister Enos Run Leader! I'll be quite...son.

(He got the last world.)

Run Leader: A long, deep, weary sigh.

(Run leading is harder than it looks)

SPEIRS MINE FENCING

On April 2, eleven members of the Havasu4Wheelers, plus Sabrina, a representative of the BLM, completed the Speirs mine project, by fencing two shafts on the west slope, east of the Standard Wash open area.

The shafts, approximately 200 feet deep, were on the top of rocky hills, covered with loose rock. The group was split into two teams, team one on Shaft 4, was led by Paul Stevens and team two, by Darryld Kautzmann, on Shaft 6.

Thanks to Paul Stevens, for team leading, to Ladell Olson, for the use of his jeep trailer, Ken Weller for prerunning, Tom Brown for tail gunning and all who spent the morning scrambling up and sliding down the slopes to compete the fencing. A special thanks to the six first time fencers.

Darryld Kautzmann

For those who knew Ray Hagarty, here is his Obituary.

White Funeral Home
1315 Main Street
Jesup, Iowa 50648
319-827-3695

Obituary/Funeral Notice:

JESUP – Raymond Patrick Hagarty, 75 years old, of Jesup, IA, passed away on Sunday, April 7, 2019, at Havasu Regional Medical Center in Lake Havasu City, AZ.

Raymond was the oldest son of Patrick and Marjorie Hagarty and was born December 28, 1943 in Charles City, IA. Ray graduated from Columbus High School with the class of 1962 and served in the United States Navy during the Vietnam War. He later graduated from Dunwoody College of Technology in Minneapolis, MN. On August 16, 1974, Ray and Arline Louise Cook were united in marriage, and were blessed with three children – Wendy, Dawn, and Ryan.

Ray was truly a "jack of all trades and master of all," as there was nothing Ray could not fix. He was an avid fisherman who loved spending time in Minnesota, fishing with his family. He also enjoyed tinkering at his shop, reading, finding a good garage sale and wintering at Lake Havasu City, AZ. Ray was a member of both Our Lady of the Lake Catholic Church in Lake Havasu City, AZ, as well as St. Athanasius Catholic Church in Jesup, IA. He was active with the Havasu 4 Wheelers social organization in Arizona and the Pump Scheer American Legion Post #342 in Jesup, IA.

Ray's compassionate heart, warm spirit, patience and tremendous wisdom would lead many to call him for consolation on almost any topic.

Left to honor his memory is Arline, his wife of 44 years; his 3 children, Wendy Hagarty of Denver, IA, Dawn (Kyle) Radue of Long Beach, CA, and Ryan (Shelia) Hagarty of Solon, IA; 5 grand-daughters, Chelsea Frost, Lexus Frost, Aurora Christner, Briar Rose Christner, and Irelynd Hagarty; 1 great granddaughter, Scarlett Flynn; 12 siblings, Donna (Svend) Lash-Andersen, Tim (Sheri), Veronica (Lee) Mangrich, Dennis, Greg (Diana), Sheila Lehman, Kevin (Kristy), Maureen (Rod) Drexler, Marcia (Tony) Bedard, Steve (Diane), Brian (Diane), and Michelle (Bill) Noonan.

Ray was preceded in death by his parents and one brother, Terry Hagarty.

Funeral Mass will be celebrated at 10:30 a.m., Monday, April 15 at St. Athanasius Catholic Church, Jesup, IA, with Fr. Jeffrey A. Dole, celebrant. Raymond will be laid to rest at St. Athanasius Catholic Cemetery in Jesup following the service with military rites conducted by Pump-Scheer American Legion Post #342 of Jesup.

Visitation honoring Raymond will be held from 1:00 – 7:00 p.m., Sunday, April 14 at the White Funeral Home in Jesup, where there will be a 2:00 p.m. parish rosary and a 6:00p.m. parish vigil service. Visitation will continue for an hour before services on Monday at the church.

Memorials may be directed to St. Athanasius Catholic Schools and Camp Courageous. White Funeral Home, Jesup, IA is in charge of arrangements.

RATING	DESCRIPTION
1	**EASIEST: Passable by stock vehicles. Gentle fairly wide grades.**
2	**EASY: Use of 2 wheel and some 4-wheel drive. Trail may have some rocks, loose road surface, and ruts but a reasonable line for driving.**
3	**EASIEST MODERATE: 4-wheel drive with aggressive tire treads. Expect a rough road with rocks and sand that requires lower tire pressure. Substantial sections of single lane.**
3¼	**MODERATE: Some 4 wheel driving experience needed. Same as above with some use of high and low range gearing. These trails have a rough, rutted surface, rocks and deep sand. Sections may be steep enough to cause traction problems, narrow shelf roads with steep drop -offs and tight clearance between rocks.**
3½	**HARDER MODERATE: For experienced drivers. At least a 2" lift and 33' tires with aggressive tire tread, one locked differential, high and low range gearing. Potentially dangerous, large rocks, ruts, steep slopes, loose surface and narrow clearances that need to be negotiated.**
3¾	**HARDEST MODERATE: Skilled experienced drivers only. Same as above with both differentials locked, some strapping/winching. Very challenging sections, extremely steep grades, loose surfaces, large rocks, deep ruts and tight clearances.**
4	**DIFFICULT: Highly skilled experienced drivers only. Same as above with belly up, 4 to 1 transfer case or equivalent, skid plates, beefed up axles and suspension system. Probable strapping/winching. Vehicle width and wheelbase should be considered. Possible body damage.**
5	**HARD: All of the above. Probable body damage.**
