The Havasu 4 Wheelers **TRAIL TALK**

YOUR MONTHLY CLUB NEWSLETTER

February 2021

A FAMILY FOUR-WHEELING CLUB DEDICATED TO THE MOTTO ----- "TREAD LIGHTLY!"

President's Corner

Welcome to the month of February. As we mourn the loss of some of members, there are brighter days ahead. Here are some of the brighter ones:

- 2/1 No Politics Day
- 2/2 Ground Hog Day
- 2/3 Free the Birds Day
- 2/4 Thank a Mailperson Day
- 2/8 Boy Scout Day
- 2/12 Abraham Lincoln's Birthday
- 2/22 George Washington's Birthday
- 2/23 INTERNATIONAL DOG BISCUIT DAY

I sure feel better already!:-) and be sure to sign up for some runs this month. It's a good time of year for some desert exploration.

The club has postponed the annual desert clean up until COVID is in the rear-view mirror. The beloved Hot Dog run and our annual banquet are also casualties of the virus. BUT!! our February meeting is tentatively scheduled for the rodeo grounds on February 25th and maybe inside the building! We will confirm that later in the month.

It is time to nominate a member for the prestigious Havasu-4-Wheeler of the Year Award. We will vote at the February meeting.

If you haven't paid your dues please do so.

I would like to thank you all for your patience as our club navigated through this past year of virus land mines. I am optimistic things will only get better and I encourage you to get out and do some 4 wheeling in this beautiful desert, if for no other reason than to participate in a mind clearing experience! And don't forget your Valentine(s) on the 14th! There are dog Valentines too, you know! February is also a perfect month to check your jeep gear, fire extinguisher, and upgrade your first aid kit!!

Best Regards, and keep on Jeeping,

Bill

The Hakala's H4W "Club Stuff"

Hi there fellow 4 Wheelers. We are Paul and Carol Hakala and have just taken over handling of the Havasu 4 Wheelers merchandise. We have some pretty big shoes to fill, so please bear with us as we learn the ropes. With Moab coming up, we thought we would give a shout out to see if there was interest in putting together a sweatshirt order. We have a list that contains names of individuals who had previously indicated their interest. If you had previously placed your name on the list, please send us an email and confirm you are still interested. If you would like to place your name on the list, please either stop by at the next meeting and let us know or email us at grandpahak@gmail.com. Full payment for each sweatshirt will be required prior to actual placement of the order.

Thanks, the Hakala's

ELECTIONS of BOARD MEMBERS

At the February meeting the Nominating Committee will present the new slate of officers for: President – Vice President– Secretary – Treasurer – Run Chair – Membership – and 3 Members at Large. We have a lot of talented members in the club, so no matter how long you have been in the club please consider volunteering for one of these positions.

If you are not ready to step into a Board position, how about a committee position. There are always people ready to help you, plus it is a great way to get to know more people in the club.

Please contact Jim Bowen (chairperson), Tom Bunnell, or Willie Williams if you want to help out the club or if you have any questions.

Havasu 4 Wheeler of the Year

Every year the membership acknowledges the person, they feel has contributed the most to the club. Here are some pointers on how to make your selection for “Havasu 4 Wheeler of the Year”. It is not an award for his or her off road driving skills. It should be based upon what they have contributed to the club during the past year. Are they active participating members **such as Board members, Committee members, activity chairs, run leaders, and behind the scene workers such as the webmaster and newsletter editor?** Are they ready to lend a helping hand? Do they get involved?

AN OPEN LETTER TO THE RUN CHAIRMAN

Dear Mister:

I understand that ‘spotting’ etiquette rarely finds itself on the agenda of club meetings, that items such as the club’s budget and the organizing of the club’s many events are far more pressing and deserve higher priority .

However, perhaps for this jeeping season, I could gently suggest to you that at your next run leader’s meeting you could stress to those who ‘spot’ drivers over obstacles to refrain from giggling. On the highway of life, being able to successfully drive over a big rock is important. It’s a perfect metaphor for...well, something. (never mind)

I’m just not even going to mention that on-lookers should NOT hold up paper plates with numbers on them. We can’t all be Bo Derek.

Please know that I am always appreciative of you and those club members who volunteer their time and talent to assist club drivers. The Havasu 4 Wheelers are lucky to have you. (and most spotters)

Later Vader,

Leland Lott (jeep driver)

note: Also, a ‘snicker’ counts the same as a ‘giggle’. So does a “guffaw”.

Desert Bar Jan 10, 2021

The trail to the bar is definitely more challenging but everyone did a great job.
Big Thank you to Jim Lund for being tail gunner for this large group of jeeps.

Rain is a good thing on a jeep run.....no dust plus the plants are dust free and display all their natural colors. On this run you get a variety of scenery from mountains with unique striated rock to washes with the usual vegetation to Whipple Wash with the tall canyon walls and various alcoves and irregularity in the rocks. The group got entertained for free when Howard drove into and out of the cave. Amazing what a jeep and experienced driver can do.

Big thank you to Howard Mathe for being tail gunner.

There is help for illegal dumping in Mohave County. It is called E.R.A.C.E (Environmental Rural Area Cleanup Enforcement. If you want to report an illegal dump site within Mohave County please call E.R.A.C.E. Detectives at 928-715-0480.

What They Do:

- Respond and investigate complaints of illegal dumping and environmental nuisance complaints.
- ERACE sponsors dumpsite cleanups at various times.

Functions of ERACE

•Investigate criminal littering (illegal dumping) complaints throughout Mohave County. The County Ordinance 2002-03 is an Anti-Litter Ordinance that gives the Offender or Litter Generator, 5 days to clean-up the dumpsite and properly dispose of the waste. Failure to clean-up the dumpsite within the 5 day period is a Criminal Offense and the Offenders could possibly face criminal charges through the County Attorney's Office. Crimes in progress should be reported to the Sheriff's Office and often ERACE will get the follow up or delayed complaints.

•Work with various Community Leaders in planning, organizing and conducting community Cleanups. These Cleanups are useful to the Communities in where they have an opportunity to properly dispose of their Heavy Trash, items like old couches, mattresses, tree trimmings, tires, and so on.

Dumpsite Remediation, this is where ERACE will go out and cleanup dump sites on public lands. These types of Cleanups are dependent on several factors, the amount of Community volunteers, interest, and budget constraints.

Membership Dues

It's time to send in your Membership dues of **\$55.00**. As of **March 1st** your dues **will be considered delinquent and the fee is \$85.00**. Because of the Covid-19 situation and the uncertainty of club meetings, I am asking members to mail the dues to: Havasu 4 Wheelers PO Box 1486 Lake Havasu City, AZ 86405.

It is with great regret that the Annual Hot Dog Run for 2021 will be cancelled. Discussions when planning this event show too much concern for exposure and risk for a hot dog. The event will be back next year, bigger and better.

Thanks for understanding,

- Mandatory Vehicle Equipment - All vehicles on *H4W* runs must be 4-wheel drive & equipped with a CB radio, fire extinguisher, first aid kit, tow straps, and front and rear tow hooks or safe hitching point all in working order.

RATING	DESCRIPTION
1	EASIEST: Passable by stock vehicles. Gentle fairly wide grades.
2	EASY: Use of 2 wheel and some 4-wheel drive. Trail may have some rocks, loose road surface, and ruts but a reasonable line for driving.
3	EASIEST MODERATE: 4-wheel drive with aggressive tire treads. Expect a rough road with rocks and sand that requires lower tire pressure. Substantial sections of single lane.
3¼	MODERATE: Some 4 wheel driving experience needed. Same as above with some use of high and low range gearing. These trails have a rough, rutted surface, rocks and deep sand. Sections may be steep enough to cause traction problems, narrow shelf roads with steep drop-offs and tight clearance between rocks.
3½	HARDER MODERATE: For experienced drivers. At least a 2" lift and 33' tires with aggressive tire tread, one locked differential, high and low range gearing. Potentially dangerous, large rocks, ruts, steep slopes, loose surface and narrow clearances that need to be negotiated.
3¾	HARDEST MODERATE: Skilled experienced drivers only. Same as above with both differentials locked, some strapping/winching. Very challenging sections, extremely steep grades, loose surfaces, large rocks, deep ruts and tight clearances.
4	DIFFICULT: Highly skilled experienced drivers only. Same as above with belly up, 4 to 1 transfer case or equivalent, skid plates, beefed up axles and suspension system. Probable strapping/winching. Vehicle width and wheelbase should be considered. Possible body damage.
