The Havasu 4 Wheelers **TRAIL TALK**

YOUR MONTHLY CLUB NEWSLETTER

December 2021

A FAMILY FOUR-WHEELING CLUB DEDICATED TO THE MOTTO "TREAD LIGHTLY!"

President's Corner

November was a busy month with our leaders posting thirteen runs which included the Highway Clean Up and the Veterans Day Parade. All of the runs were well attended, and the trail leaders did a great job.

We had two trails that ended in controversy to include a large early Christmas gift to an Indian tribe and a disappearing mountain and will result in great memories for all of us involved.

The Highway Clean Up was well attended and many bags of trash were collected in our Adopt-a-Highway area on SR 95. Steve Locantore led the event and again did a stellar job.

The Veteran's Day Parade had our club parading down the street with over thirty decorated Jeeps. Allen Steele led the amazing group, and we were a crowd pleaser going 2 by 2 to the end.

The Thanksgiving Turkey Feast was a huge success with over 140 attendees. The food was fantastic. Many thanks to Doris Hirt and the many volunteers who helped with the dinner.

December looks to be a little less busy with the holidays coming up but has started with a couple of runs posted along with the Ladies' Luncheon, The Men's' Breakfast, The Trail Boss and Board Meeting and The General Meeting. Cook's Night Out will not be planned in December but will start again in January.

Be sure to check the website calendar of events for updates on the runs and gatherings.

Arlene and I wish you and your family a healthy and happy holiday season and hope to see you soon at our many club gatherings this December.

Adopt-A-Ranch Clean-up

Havasu4Wheelers was awarded a nice plaque by Arizona Game and Fish for working with Cane Springs Ranch for 10 years. Thursday 28 October our club was awarded a certificate by Troy Christiansen for being part of the Adopt a Ranch Program for the 10th year! The voluntary Public Access and Habitat Improvement Program helps gain access onto and across private property on Ranches in Arizona. In the past our club has been involved in fixing and mending fences, removing old watering tanks, burning brush piles, picking up trash, and removing brush from fence lines and corrals. While it may seem like work, the same people keep signing up to be part of the Ranch Day year after year. Each year the ranch owners Sherwood and Anita end the day with ice-cream sundaes and cookies in the bunk house.

REMEMBER

If you have a 4 Wheeling picture, article, or even a joke you'd like to share, please submit it to Tim & Patty Maskell, at: newsletter@havasu4wheelers.org. Please no flipped over vehicles, off-color jokes or insensitive dialog. We're always looking for good stuff.

Tim & Patty

High-Way Clean-up

Wed Nov 3, 2021. At 8AM, a group of 24 men and women of the Havasu 4 Wheelers club gathered at the scenic turnout, south of the city on Route 95. Upon receiving trash pickers, bags, safety vests and a safety briefing, the group broke up into 4 teams to tackle the litter that has accumulated along a 2 mile stretch of the highway. The teams went to work and by 11AM they gathered 49 bags of litter.

The Arizona Department of Transportation Adopt-A-Highway program is open to volunteer groups with the provision that an adopted section of highway will have litter removed at least once per year. Steve Locantore

No Bell Award

The No Bell Award goes this time to Mark and Dana Adler. Mark and Dana were on a run when another member had Jeep trouble and had to leave the run. Mark and Dana volunteered to escort the member and wounded Jeep back out. This is what our club is all about.

Cow Bell Award

The Cow Bell Award this time goes to Bill Roberds. Bill was ready to lead his run to K2 and had a great day on the trail, except, he wound up on the Scott's Well run not K2. Oh well, like I said, they had a great time anyway.

JEEPING 101 CLASS

Mike Yahrmarkt 10/29/2021

About 30 jeepers attended, including 5 instructors. We had about 11 vehicles and a beautiful day.

The class began with an hour long jam session with input from all instructors. We covered everything from airing down to shifting to low range and how lockers work. We talked about how to drive through obstacles with a spotter.

We practiced in the Bowling Alley and they all did a fine job.

It was pointed out to me that most woman are passengers and not drivers so we encouraged woman to come to the class and drive, several ladies drove their Jeep's and did great. Husbands were encouraged to be silent partners. It was really a fun and informative day. Thanks to all in attendance. Special THANK YOU to all the guys who assisted. Chris Storm, Tom Bunnell, Ladell Olson, Steve Locantore, and Steve Perry, Great Job!!

Devil's Bridge Run + Hike

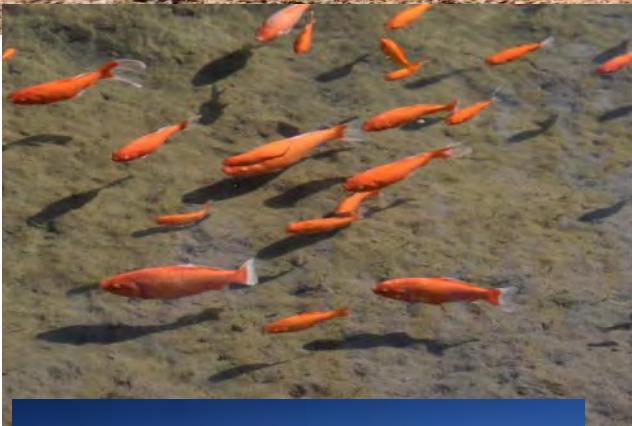

On Monday, October 18, we had 6 members leave Cottonwood for the Devil's Bridge hike. We encountered very many other hikers along the trail and road. We hiked the trail up to the bridge where 3 of us ventured out onto the bridge after a long wait in line. After leaving the bridge, we went to Van Daren Cabin. Other than a couple of pink Jeep tours we had the place to ourselves. With a great view we had our lunch there. After lunch we headed back to enjoy the afternoon in Cottonwood.

Castle Dome Camping Trip

On Monday November 15, 5 vehicles left Lake Havasu for the Castle Dome Museum. We spent a couple of hours exploring this very interesting museum. From there we went to the Big Eye mine area where we found our first night camp site, where we had a delicious Tortilla Soup dinner. Woke up the next morning to a large breakfast prepared by Donna and Karen. We then traveled north through the McPherson pass, past Castle Dome mountain and on to the North Star mine. At that point one vehicle had to leave as their amount of gas was getting low. After exploring that area we again hit the trail. Found a great spot on a ridge for our 2nd camp site. Dinner was beef stew enjoyed by all. Woke to another great breakfast from Donna and Karen. After filling our bellies we headed on the trail again, stopping at Craven Well. From there we went to Vicksburg Road where we had lunch and finished the trip. Thanks to Butch and Su-Lyn Ortiz for tail gunning this trip.

RATING	DESCRIPTION
1	EASIEST: Passable by stock vehicles. Gentle fairly wide grades.
2	EASY: Use of 2 wheel and some 4-wheel drive. Trail may have some rocks, loose road surface, and ruts but a reasonable line for driving.
3	EASIEST MODERATE: 4-wheel drive with aggressive tire treads. Expect a rough road with rocks and sand that requires lower tire pressure. Substantial sections of single lane.
3¼	MODERATE: Some 4 wheel driving experience needed. Same as above with some use of high and low range gearing. These trails have a rough, rutted surface, rocks and deep sand. Sections may be steep enough to cause traction problems, narrow shelf roads with steep drop-offs and tight clearance between rocks.
3½	HARDER MODERATE: For experienced drivers. At least a 2" lift and 33' tires with aggressive tire tread, one locked differential, high and low range gearing. Potentially dangerous, large rocks, ruts, steep slopes, loose surface and narrow clearances that need to be negotiated.
3¾	HARDEST MODERATE: Skilled experienced drivers only. Same as above with both differentials locked, some strapping/winching. Very challenging sections, extremely steep grades, loose surfaces, large rocks, deep ruts and tight clearances.
4	DIFFICULT: Highly skilled experienced drivers only. Same as above with belly up, 4 to 1 transfer case or equivalent, skid plates, beefed up axles and suspension system. Probable strapping/winching. Vehicle width and wheelbase should be considered. Possible body damage.
5	HARD: All of the above. Probable body damage.
