TRAIL TALK

YOUR MONTHLY CLUB NEWSLETTER

February 2022

A FAMILY FOUR-WHEELING CLUB DEDICATED TO THE MOTTO "TREAD LIGHTLY!"

President's Corner

January seemed to fly by with many trails ran. Many thanks again to the trail leaders. The annual Holiday Party was a great success with over 80 attendees.

February has kicked off with a very well attended Trail Clean Up. Thanks to Dave Blake for leading the event. Additional February events include the Annual H4W Yard Sale hosted by Dana and Mark Alder slated for February 17, 18 and 19th.

The upcoming February meeting will have the vote for H4W 4-Wheeler of the Year. This is a paper vote at the meeting with ballots available in this newsletter and additional voting forms will be available at the meeting. All votes will be received by Doris Hirt the Club Secretary at the meeting. The winner will be announced at the March 24th, 2022 meeting and Awards Ceremony.

At the February meeting the Nominating Committee will present a slate of members that will be running for the nine elected positions. Additional nominations will be received from the floor. Anyone who is interested in running for a position can contact chairperson Paul Stephens at 760-486-1365 to sign up. Elections will be held at the March 24th, 2022 general meeting. Also, at the February meeting our Treasurer, Dana Alder, will be accepting dues for the 2022-23 season. Please bring a check or correct change.

This year the Pizza in the Park will be held March 23, 2022. All members planning to attend will need to bring the \$5.00 donation per person to the February meeting. Sue Collins will be taking names and collecting the donations.

As always, keep checking the website for new run and activities dates. It was great to see so many new members at the last meeting. Thanks to everyone that supports our club.

ELECTIONS of BOARD MEMBERS

At the February meeting the Nominating Committee will present the new slate of officers for: President, Vice President, Secretary, Treasurer, Run Chair, Membership Chair, and 3 Members at Large. We have a lot of talented members in the club, so no matter how long you have been in the club please consider volunteering for one of these positions.

If you are not ready to step into a Board position, how about a committee position. There are always people ready to help you, plus it is a great way to get to know more people in the club. Still looking for a P.R. Person for the Club.

Please contact Paul Stephens (chairperson), Dave Bruno or Tom Bunnell if you want to help out the club or if you have any questions.

Havasu 4 Wheeler of the Year

Every year the membership acknowledges the person, they feel has contributed the most to the club. Here are some pointers on how to make your selection for "Havasu 4 Wheeler of the Year". It is not an award for his or her off road driving skills. It should be based upon what they have contributed to the club during the past year. Are they active participating members **such as Board members, Committee members, activity chairs, run leaders, and behind the scene workers such as the webmaster and newsletter editor?** Are they ready to lend a helping hand? Do they get involved?

PAST HAVASU 4-WHEELER OF THE YEAR AWARDS:

Havasus 4 Wheeler for the Year 2022

Note: Your vote for the "Havasus 4 Wheeler of the Year" should not be influenced solely by his or her off-road driving skills. Also merit them by what they have contributed to the club during the past year. Are they active, participating members? Are they ready to lend a helping hand? Do they get involved?

Write in the name below of the member(s) voted for. You may vote for one individual member or a membership (example: husband & wife) as their name(s) appear on the active club roster. You may turn your ballot in at the February 2022 meeting or mail it to the address on the back page of the newsletter, by March 7, 2022.

Member 1 Vote: _____ Member 2 Vote: _____

There will be extra ballots at the February General Meeting for attending members to vote, you can print this ballot and send it to the club P.O.Box (P O Box 1486, Lake Havasu City, AZ 86405) or bring it to the General Meeting

2022 H4W HOT DOG RUN

This is the 11th year for this event and will be held on 03/09/2022. We were not able to do it last year due to Covid. We are back and ready to go!!

Our Hot Dog Run is several different runs meeting at an old mining cabin out in Mohave Wash, arriving at the same time for a fun hot dog cookout. H4W will supply and cook all the hot dogs with all the garnishes, chips, and plates. You will have to bring drinks and any other food you wish for yourself. In 2020 we had 80 jeeps, 5 different runs, and ate 340 hot dogs.

Our runs this year will be rated 3.0, 3.25, 3.5, and a 4.0. These runs will be posted on line Feb 18 2022. Sign up will begin at the February membership meeting and thereafter. You can check out the runs online and be ready to sign up at the meeting. We do it this way to ensure we do not have a lot of cancellations and additions to the runs. All contacts will be done with your run leader after you sign up for a run. Sorry, but NO guests unless they are riding in a members Jeep.

I will be at the Feb meeting if you have further questions.

Hope to see you all there for a fun day in the desert.

Curtis Robert Frilot

Nov. 30, 1936 – Dec. 19, 2021

Curtis Robert Frilot, most recently from Lake Havasu City, Arizona, passed away unexpectedly on December 19, 2021 at the young age of 85.

Born November 30, 1936 to Alton Joseph Frilot and Beatrice Mary Gomez Vincent in Los Angeles, California, Curt was a fourth generation Californian. Curt was raised by his stepfather Andrew Vincent and Bea Vincent and early on lived with his half-sisters, Celeste Vincent and Charlotte Vincent.

Curt was a devout Catholic. He married the love of his life, Loretta Eugenia Cozzini in 1958 and immediately started their family of three beautiful daughters, and one amazing son. Curt loved God, family, Country, and tequila.

Curt honorably served his Country in the United States Army from 1955 through 1957, stationed in Germany. Curt loved sports and helped coach and mentor his kids' baseball and softball teams for many years. He was an avid California Angels baseball fan and Rams football fan while living in Anaheim for over 25 years.

He loved to boat and took numerous family beach camping trips, yearly, to the Colorado River where family enjoyed water sports and sleeping outdoors, counting the stars. When sand in the crack got old, he switched it up for houseboating Lake Powell. If he wasn't in his boat, Curt was likely dirt-bike riding in the desert with his son and friends.

After moving to Arizona from California in 1992, he became a member of Havasu4Wheeler's Jeep Club and experienced remarkable countryside throughout the entire Western U.S. with his co-pilot Loretta by his side. Amazing stories and pictures always followed. He served as club president and also wrote the monthly newsletter.

Curt was an Electrical Drafting Engineer by trade for the aeronautics industry. He was also the founder and owner of Sportsman's Spirits Liquor store in Anaheim, California; proud to sell "the coldest beer in town". He loved to shoot the breeze with anyone and everyone.

He was a staunch conservative, believed in the core principles and values that this great Country was founded upon, didn't care about being politically correct, and spoke his mind on important matters. If there wasn't a sporting event blaring on the TV, you'd probably find him searching for an old John Wayne or Clint Eastwood movie, or getting a daily dose of Rush Limbaugh. Curt also had a culinary love for garlic and spicy foods.

Curt is survived by his loving family; wife Loretta Frilot, daughter Lisa Mohan (James), daughter Jeannette Shade, son Daniel Frilot (Parvaneh), daughter Michelle Anglin (Ronald), nine grandchildren, four great grandchildren, half-sister Charlotte (David), nieces and nephews. He is resting in Heaven reunited with family and friends that have passed before him and now shooting the breeze with grandson, James. He will be loved and missed forever by all those left behind.

A Funeral Mass will be held at Our Lady of the Lake Catholic Church, (AZ) in the coming weeks.

Curt will rest in peace at Riverside National Cemetery (CA) along with his fellow military veterans at a later date. In lieu of flowers, donations can be made to Veterans Crisis Line.

No Bell Award

The No Bell Award this time goes to Ladell Olson who was sitting home watching TV when a friend called for help. The friend was with a few Jeeps on Deliverance (rated 4.0) and broke a steering knuckle between two obstacles. They located the broken Jeep and got the Jeep out using straps and winches and ultimately got him off the trail. Great job Ladell

Survivalist Camp Info.

Mike mentioned he got some history from H4W's old friend Bruce Speirs. He sent us some links with news stories about the camp. Highlight the link and copy it, bring up the browser and paste it in the address line, interesting.

Survivalist Camp

I arrived to lead the run on 1-21-22, just in time to check everyone in and head out for the camp. We took an alternate route to avoid crossing RR Tracks. The weather was cloudy, cold, and windy but we managed to see the remnants of a couple buildings. Between myself and Bruce Speirs, I had a lot of history about the camp. Everyone seemed to enjoy the trip and the narration. 12 jeeps completed the trip. Thank You Willie and Snake for tail-gunning, Thanks also to the whole crew who came with me.

- HAVASU 4 WHEELERS TRAIL RATINGS -

- Mandatory Vehicle Equipment - All vehicles on *H4W* runs must be 4-wheel drive & equipped with a CB radio, fire extinguisher, first aid kit, tow straps, and front and rear tow hooks or safe hitching point all in working order.

RATING	DESCRIPTION
1	EASIEST: Passable by stock vehicles. Gentle fairly wide grades.
2	EASY: Use of 2 wheel and some 4-wheel drive. Trail may have some rocks, loose road surface, and ruts but a reasonable line for driving.
3	EASIEST MODERATE: 4-wheel drive with aggressive tire treads. Expect a rough road with rocks and sand that requires lower tire pressure. Substantial sections of single lane.
3¼	MODERATE: Some 4 wheel driving experience needed. Same as above with some use of high and low range gearing. These trails have a rough, rutted surface, rocks and deep sand. Sections may be steep enough to cause traction problems, narrow shelf roads with steep drop-offs and tight clearance between rocks.
3½	HARDER MODERATE: For experienced drivers. At least a 2" lift and 33' tires with aggressive tire tread, one locked differential, high and low range gearing. Potentially dangerous, large rocks, ruts, steep slopes, loose surface and narrow clearances that need to be negotiated.
3¾	HARDEST MODERATE: Skilled experienced drivers only. Same as above with both differentials locked, some strapping/winching. Very challenging sections, extremely steep grades, loose surfaces, large rocks, deep ruts and tight clearances.
4	DIFFICULT: Highly skilled experienced drivers only. Same as above with belly up, 4 to 1 transfer case or equivalent, skid plates, beefed up axles and suspension system. Probable strapping/winching. Vehicle width and wheelbase should be considered. Possible body damage.
5	HARD: All of the above. Probable body damage.
