The Havasu 4 Wheelers **TRAIL TALK**

YOUR MONTHLY CLUB NEWSLETTER

Arizona
April 2022

A FAMILY FOUR-WHEELING CLUB DEDICATED TO THE MOTTO "TREAD LIGHTLY!"

President's Corner

This is the final message for the club's 2021-22 year and the year has been a good one. Covid seems to be down and the club has resumed all of the social and trail activities we are used to. We ran a fantastic number of runs and welcomed many new

members.

Pending our budget meeting to be held April 6th it looks like the club is well financially and we can resume our donations to local causes. A committee will be announced after the financial meeting to be tasked with recommending to the board what good causes we should contribute to. The final budget for the 2021-22 season will be completed at the meeting and the total Treasurer's report will be sent to the membership similar to previous years. Prior to publication this report will be audited by the past treasurer as required in the by-laws.

The board is always tasked with keeping a balanced budget and it was a challenge with rising costs and possible reduced membership to make the guesses necessary to keep the club healthy but I believe this board has done a superb job in this.

The awards meeting was a success and it was great to show our appreciation to the many committee chairs, trail leaders and board members. I was responsible for an error to the committee chairs and forgot the Adler's for their great garage sale and I also forgot to award Willie Williams for her work as Historian and Steve Riley for his work with the by-laws.

It has come to my attention that after a recount, Tom Bunnell was tied with Mike Yahrmarkt for the most runs led and a jacket has been ordered for Tom.

I want to thank the club for voting Arlene and myself the 4 Wheelers of the Year. We truly appreciate the honor and we hope to contribute to the club at the same level this coming year. We could not have done it without the help of all the volunteers.

Speaking of volunteers, I want to thank the Perry's for running the 50/50 table at the meeting and events and we appreciate Kurt and Cheryl Beach for volunteering to take over these duties. I will be contacting each committee member from the 2021-22 season regarding volunteering for the 2022-23 season. Jim Bowen is also stepping down from the PLA and Trail Leader Chairperson. Jim has led this for many years and his dedication is much appreciated. Steve Locantore has been elected to the Trail Leader position and Bill Roberds will take on the PLA tasks.

I have also learned that Past President Charles Leipart will be moving from our area. Charles and Geri have donated many hours in multiple functions for the club and has been the event chairman for many events. Charles got me started in volunteering for the club and their presence will be missed.

With the elections behind us the new board will get to work and will strive to continue to improve our fabulous club. We are always open to your suggestions. Please feel free to send any suggestions to the president@havasu4wheelers.org and I promise your input will be discussed at the board meetings, or better yet join us at a meeting.

Here's to a great new season.

Chris Storm
President

HAPPY ANNIVERSARY

50 Plus Years

2022 HOT DOG RUN

The 2022 hot dog run was a great success. It was attended by 67 Jeeps, and a 135 people. We consumed 320 hot dogs.

The weather was perfect for a picnic in the desert!

There was one great surprise, the Main Mohave Wash and the West Mohave Wash was dragged the day before and the day we went. They were as smooth as I have ever seen them. It made the run very enjoyable and not the rough ride we all anticipated. I would like to thank Chris Loomis and Chuck Owen of the Havasu Grooming Group for a job well done. It was greatly appreciated.

I would also like to thank all the club members that came out, the cooks, the kitchen crew, the maintenance crew, Tom & Steve Bruno my co-chairmen, and all the run leaders for all they did to make this year's run a success.

Hope to see you all next year.

No Bell Award

This Time There Were 3 Members Who Received the No Bell Award:

- 1) At a ten one hundred stop, Melba Olsen took the time to do some trail maintenance so her fellow drivers didn't get any desert pinstriping.
Trish Reister
- 2) On a run, Jack & Eileen Burns towed the McCue's broken Jeep back to the air-up.
Sue McCue
- 3) On another run, Paul Hakala got the Hirt's Jeep moving again by sticking his hand up to the hot transfer case to shift it into gear.
Steve Hirt

This happens on the trail all the time. It's good to know that if you have trouble on the trail, you can count on your trail mates to assist you if something goes wrong. Great job all!

Charles & Geri Leipart

We wish a fond farewell to our active members Charles & Geri Leipart and wish them well in their new home in Henderson, NV.

They joined the club in Jan. 2004 and were active over these many years. Charles served as Pres., in 2009 – 2010 and again in 2018 – 2019 plus served on the Board on 2 other occasions and was in charge of CNO officially and unofficially. The unofficial part came into play when the heat of the summer was upon us, they felt the club members would still like to get together, so they took it upon themselves to organize a CNO. Due to desire to be active and spur friendship in the club he was awarded "4 Wheeler of the Year" in 2007. Behind every great man is a woman and Geri was always there to support him and was also very active in the behind the scene events like the Turkey Roast and Award Banquets and probably several more.

We all remember the 5 out of area jeep outing (Tombstone & Cottonwood) that he put on for the club. He didn't limit his participation to out of town events and lead many runs for the club. Whenever he lead a run with Bill Mitchell as his co-pilot you could always be guaranteed a fun run with a few turn arounds, territory not seen before and a lot of laughter.

Charles & Geri always had a smile and made you feel like a friend. They will both be missed. Now if you are ever in Henderson and see a fellow walking down the street with a fluorescent green shoe lace on one shoe and fluorescent orange on the other shoe it's probably Charles.

- HAVASU 4 WHEELERS TRAIL RATINGS -

- Mandatory Vehicle Equipment - All vehicles on *H4W* runs must be 4-wheel drive & equipped with a CB radio, fire extinguisher, first aid kit, tow straps, and front and rear tow hooks or safe hitching point all in working order.

RATING	DESCRIPTION
1	EASIEST: Passable by stock vehicles. Gentle fairly wide grades.
2	EASY: Use of 2 wheel and some 4-wheel drive. Trail may have some rocks, loose road surface, and ruts but a reasonable line for driving.
3	EASIEST MODERATE: 4-wheel drive with aggressive tire treads. Expect a rough road with rocks and sand that requires lower tire pressure. Substantial sections of single lane.
3¼	MODERATE: Some 4 wheel driving experience needed. Same as above with some use of high and low range gearing. These trails have a rough, rutted surface, rocks and deep sand. Sections may be steep enough to cause traction problems, narrow shelf roads with steep drop-offs and tight clearance between rocks.
3½	HARDER MODERATE: For experienced drivers. At least a 2" lift and 33' tires with aggressive tire tread, one locked differential, high and low range gearing. Potentially dangerous, large rocks, ruts, steep slopes, loose surface and narrow clearances that need to be negotiated.
3¾	HARDEST MODERATE: Skilled experienced drivers only. Same as above with both differentials locked, some strapping/winching. Very challenging sections, extremely steep grades, loose surfaces, large rocks, deep ruts and tight clearances.
4	DIFFICULT: Highly skilled experienced drivers only. Same as above with belly up, 4 to 1 transfer case or equivalent, skid plates, beefed up axles and suspension system. Probable strapping/winching. Vehicle width and wheelbase should be considered. Possible body damage.
5	HARD: All of the above. Probable body damage.
