

President's Corner

The 22-23 off roading season has begun and many activities and runs are taking place. The November general meeting had a great attendance considering the car show and the Cardinal's game. We had several new guests and voted in new members.

Be sure to remember the Thanksgiving Banquet on November 7th at the Rodeo Grounds and our Death Valley gathering will start November 13th. The Trail Leader Meeting, Board Meeting and General Meeting will all be held on November 21st.

At the next meeting please bring your new toy for the Toys for Tots donation along with canned food for the Food Bank Donation. Many thanks to Allen Steele for supervising these worthy causes.

We will be forming the nomination committee for all club positions this month. Please contact me if you would like to be on that committee. I am hoping we have many volunteers to help keep this club active and thriving.

Chris Storm
President

H4W Donations

Diane McCue, our new Donation Committee chairperson, spoke at our October meeting regarding the donation criteria that was voted in at our September meeting, given that, she and her committee had several proposals for the membership to vote on at this meeting.

The results of the vote being:

Search & Rescue - \$1000

Hospice of Havasu - \$250

Food Bank - \$250

Marine Corp League - \$250

Friends Of The Fair - \$250

The remainder of \$1000 to be determined at a later date.

This donation money is from the proceeds of last seasons H4W Yard Sale.

Havasu Four Wheelers
PO Box 1486
Lake Havasu City, AZ. 86405

PRSRT STD
U.S. POSTAGE PAID
LAKE HAVASU CITY, AZ
PERMIT NO. 235

- HAVASU 4 WHEELERS TRAIL RATINGS -

- Mandatory Vehicle Equipment - All vehicles on *H4W* runs must be 4-wheel drive & equipped with a CB radio, fire extinguisher, first aid kit, tow straps, and front and rear tow hooks or safe hitching point all in working order.

RATING	DESCRIPTION
1	EASIEST: Passable by stock vehicles. Gentle fairly wide grades.
2	EASY: Use of 2 wheel and some 4-wheel drive. Trail may have some rocks, loose road surface, and ruts but a reasonable line for driving.
3	EASIEST MODERATE: 4-wheel drive with aggressive tire treads. Expect a rough road with rocks and sand that requires lower tire pressure. Substantial sections of single lane.
3¼	MODERATE: Some 4 wheel driving experience needed. Same as above with some use of high and low range gearing. These trails have a rough, rutted surface, rocks and deep sand. Sections may be steep enough to cause traction problems, narrow shelf roads with steep drop-offs and tight clearance between rocks.
3½	HARDER MODERATE: For experienced drivers. At least a 2" lift and 33' tires with aggressive tire tread, one locked differential, high and low range gearing. Potentially dangerous, large rocks, ruts, steep slopes, loose surface and narrow clearances that need to be negotiated.
3¾	HARDEST MODERATE: Skilled experienced drivers only. Same as above with both differentials locked, some strapping/winching. Very challenging sections, extremely steep grades, loose surfaces, large rocks, deep ruts and tight clearances.
4	DIFFICULT: Highly skilled experienced drivers only. Same as above with belly up, 4 to 1 transfer case or equivalent, skid plates, beefed up axles and suspension system. Probable strapping/winching. Vehicle width and wheelbase should be considered. Possible body damage.
5	HARD: All of the above. Probable body damage.
