

Volume 31, Number 8

The Havasu 4 Wheelers **TRAIL TALK**

YOUR MONTHLY CLUB NEWSLETTER

December 2023

A FAMILY FOUR-WHEELING CLUB DEDICATED TO THE MOTTO "TREAD LIGHTLY!"

President's Corner

We had a great turnout at the November meeting, many thanks to everyone who brought toys and food. Allen Steele filled up the back of his truck with food for St. Vincent's food bank. Allen also invited Randy Kosac (Marine Corp Commandant) to our meeting and we filled up the back of his truck for Toys for Tots. Randy was very appreciative of our efforts for the children.

Our Donation Committee has done another outstanding job this year with putting together a deserving list of recipients. We started our donation season with a thousand dollar check to Mohave County Sheriff's Search and Rescue Team from Lake Havasu. The Donation Committee also put together a ballot and our membership voted for the following four donations of \$250. Hospice of Havasu, Meals on Wheels, Mohave County Sheriff's K-9 Foundation, and Havasu Abuse Victims Education Network (HAVEN), each will receive their donations over the next four general meetings.

The Turkey Roast was well attended again this year, thanks to Doris and Steve Hirt for hosting and to all who prepared the hams and turkeys. And, thanks to everyone for the abundance of food, but, I heard we started the clean-up too early and some people may not have had the opportunity to get their fill. (noted, we will do better next year)

Please keep an eye on the event calendar for runs, meetings, and social gatherings, updates get added frequently and we do not want anyone to miss out. Run leaders/potential run leaders, keep up the great work on filling the calendar. Contact Debbie Gleadle or Roger Allen with issues regarding posting your run or event.

Holiday Dinner Party is at Shugrues, Jan. 7, 2024. Contact Pam Hill 760.265.0184 to reserve your seat. Deadline is Dec. 21.

Nomination Committee: as of today, I do not have a committee, H4W needs YOU. The nomination committee would help the club find the future Board members to help run this Club. Do we have any members interested in a Board position? Volunteers are what make for a "healthy" well run Club. If you would like to help make decisions on how this Club is run, then you should come to the next Board meeting. We only have 8 meetings a season, with a long summer break, so, I know you want to help in some way. Would you think about a future position? Enough said!

To all of our volunteers, your help and continued support is much appreciated, thanks for all you do!

Deadline is December 21st!**

Cow Bell Award

The CowBell goes to Jim Young. While working on his truck, he jacked up the truck at the rear third member. He crawled under and started to tighten the bolts on the third member when the jack slipped trapping Jim underneath. He tried to yell out but could barley breathe. After some time, Linda came out to check on him and found him trapped....

...So this is where Linda Young gets the NoBell award for saving her husband. Jim still had the where with all to tell Linda what she needed to know to get the truck off him, she followed his instruction and lifted the truck off. She took him to the hospital and he had some bad ribs but was generally OK. Jim was asked about being awarded the CowBell and said yes to let everyone know to always work safe and use jack stands. Thanks Jim for sharing and thanks Linda for the good work.

No Bell Award

REMEMBER

If you have a 4 Wheeling picture, article, or a even a joke you'd like to share, please submit it to Tim & Patty Maskell, at: newsletter@havas4wheelers.org. Please no flipped over vehicles, off-color jokes or insensitive dialog. We're always looking for good stuff.

Tim & Patty

Club Happnins'

The Ladies Luncheon at the Boathouse on November 1st, brought 25 ladies with Patty Maskell winning \$10 and Joanne Malara won the pillow.

Bill Roberds reported there was nothing much going on with the Arizona Peace Trail per Alex Ross (Alex had a schedule problem so he could not attend the meeting). Alex also stated we could access arizonapeacetrail.org for more info.

Men's Breakfast at Bad Miguel's had 25 men attend and Roger Allen won the \$10. The men also presented Ezmerelda with her Christmas tip of \$140.

131 members showed for the November Meeting.

Please start saving "Stuff" to donate for the club garage sale. Also, we will need tables to put all the wonderful merchandise on for the sale. You can drop off items starting Jan 27th to Feb 7th. The set up will be on Feb 8th and the sale on Feb 9-10th. Willie

Danny Schul

Arizona Peace Trail

Alex could not attend the general meeting due to a prior commitment, here are his thoughts. In short there really isn't much to report other than to direct members to the peace trail information online. All the info is there. www.Arizonapeacetrail.org

All is in great shape regarding the status of the Peace Trail organization.

I suggest that this online information be added in the next H4W newsletter.

Maps, history, trail resources, who the partners are, etc.

Anyone interested in doing the Peace Trail – it can be done in segments.

I would like to suggest trail leaders take a look at a possible segment they might like to lead...

There is Arizona Peace Trail in GPX Format

Arizona Peace Trail in KML Format

Arizona Peace Trail on Avenza Maps

Peace Trail on You Tube

Peace Trail on FaceBook

There is also a drone movie that is currently in production of the Peace Trail. More info on that as it develops. The Drone Guy 4U.

The Parker 400 is looking for volunteers for anyone interested to help with public safety. Contact John Savino 928-699-6068.

Side note – I have completed most of the Moab Rim Rock Run and highly recommend it for those that are interested in a self-guided adventure much like the Peace Trail.

My personal note – having these trails with the many partners involved all helps to keep these trails open to the public so we may all SAFELY enjoy our public lands as well as create a very positive economic impact on the communities these trails pass through or nearby. Trail Head locations are being explored for Bouse, Havasu, Kingman and Yuma – so far.

The Mohave County Sheriff's Search & Rescue came to receive a donation from the Havasu 4 Wheelers. The donation of \$1,000 will come in handy for these guys who have our backs, Thank You.

The Donation Committee also has four more donations of \$250 to hand out in the next few months, to: Hospice of Havasu, Meals on Wheels,

Mohave County Sheriff's K9 Foundation, and Havasu Abuse Victim's Education Network (HAVEN)

The 4 Wheelers stepped up this year with a lot of toys for the Havasu kids. Also, thanks to Randy Kosac, Marine Corp Commandant, and Allen & Janeice Steele for putting it together.

We also collected food for the hungry in Lake Havasu City which filled a pickup truck. Thanks again Allen & Janeice

PERMIT NO. 235

Label

- HAVASU 4 WHEELERS TRAIL RATINGS -

- Mandatory Vehicle Equipment - All vehicles on *H4W* runs must be 4-wheel drive & equipped with a CB radio, fire extinguisher, first aid kit, tow straps, and front and rear tow hooks or safe hitching point all in working order.

| RATING | DESCRIPTION |
|--------|---|
| 1 | EASIEST: Passable by stock vehicles. Gentle fairly wide grades. |
| 2 | EASY: Use of 2 wheel and some 4-wheel drive. Trail may have some rocks, loose road surface, and ruts but a reasonable line for driving. |
| 3 | EASIEST MODERATE: 4-wheel drive with aggressive tire treads. Expect a rough road with rocks and sand that requires lower tire pressure. Substantial sections of single lane. |
| 3¼ | MODERATE: Some 4 wheel driving experience needed. Same as above with some use of high and low range gearing. These trails have a rough, rutted surface, rocks and deep sand. Sections may be steep enough to cause traction problems, narrow shelf roads with steep drop-offs and tight clearance between rocks. |
| 3½ | HARDER MODERATE: For experienced drivers. At least a 2" lift and 33' tires with aggressive tire tread, one locked differential, high and low range gearing. Potentially dangerous, large rocks, ruts, steep slopes, loose surface and narrow clearances that need to be negotiated. |
| 3¾ | HARDEST MODERATE: Skilled experienced drivers only. Same as above with both differentials locked, some strapping/winching. Very challenging sections, extremely steep grades, loose surfaces, large rocks, deep ruts and tight clearances. |
| 4 | DIFFICULT: Highly skilled experienced drivers only. Same as above with belly up, 4 to 1 transfer case or equivalent, skid plates, beefed up axles and suspension system. Probable strapping/winching. Vehicle width and wheelbase should be considered. Possible body damage. |
| 5 | HARD: All of the above. Probable body damage. |
