November 2025

A FAMILY FOUR-WHEELING CLUB DEDICATED TO THE MOTTO "TREAD LIGHTLY!"

President's Corner

Hello H4W's

The 25-26 off roading season is off and running. The weather has finally cooled off enough to get out and enjoy the desert. So, watch your emails and check the web site to stay up to date on upcoming jeep runs.

Havasu Fright Night on Halloween was an enormous success. Thanks To Pete Lamont for setting up the event and making sure all the candy got to Main street. Huge THANKS to all the members that donated candy and came out to hand out candy.

We also had 12 members attend Hump-n-Bump this year with me. The weather was perfect, and we all had a wonderful time. We only had one mishap Paul and Carol Hakala had motor problems with their jeep, but they still made the best of it. I won't mention any names, but somebody did really good at the raffle Saturday night LOL! Looking forward to next year!

At the November meeting please bring your new toy for the Toys for Tots donation The December meeting will be the canned food drive for the Food Bank Donation. Many thanks to Patti Jo Glumack for supervising these worthy causes.

Our annual Turkey Roast is Saturday November 22nd at the Lake Havasu Rodeo grounds in Sara Park in the big metal building. Hors d'oeuvre at 3pm and dinner at 4pm. Please make sure you contact Doris Hirt to get on the list, so we know how many Turkeys to buy. This event is free to members. For guests, the cost will be \$10.00 per person and \$15.00 per couple. Hope to see you all there!

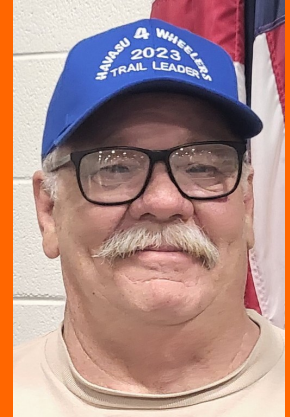

Just a reminder the username and password have changed for the website please check your emails for the new ones.

Our next General meeting is Tuesday November 18th, 2025, 6pm at the Aquatic Center. Thanks again to all our volunteers and trail leaders. I hope everyone has a great November and Happy Thanksgiving.

Thanks

Dave Blake

THANK YOU! THANK YOU!
A huge and heartfelt thank you to Tim and Pat Maskell for 10 years of hard work and dedication as editors of the Havasu 4 Wheelers Newsletter. We will miss you both.

Hi H4W,
I just wanted to introduce myself. My name is Leslie Nehring and I will be the new newsletter editor. My husband Mike and I joined H4W almost three years ago. This is a really great club and we enjoy being a part of it.

Remember

If you have 4 wheeling pictures or articles to share in the newsletter, or if you have any questions, suggestions, or comments, please submit to
Leslie Nehring at

Needles to Goff's Historic Run—Led by Mike Ahrens 3.0

The Needles to Goffs Run was held on October 11 this year. We had 15 vehicles and 22 people on the run. The run started with a tour of the historic El Garces Depot and Harvey House. The tour provided great insight into the Depot and the inceptions of the Harvey Girls that served all of the travelers of the time. After that we went and spent some time at the Needles Museum, fascinating to learn about the history of Needles and it's roll in the history of the Colorado River.

After that we departed Needles along the first portion of the East Mojave Heritage Trail on our way to Goffs CA. Goffs serves as the headquarters of the Mojave Desert Heritage Association which were having their annual Rendezvous that same weekend. It was great to intermix with some of their members and compare common interest in the East Mojave and public lands in general.

A couple of trail participants got to see the 10 stamp mill run and crush ore as was done in the mid 1800. A fantastic opportunity to witness how it as done back in the day. Click the link below to view. If the link doesn't work for you, try to copy and paste the link to your browser.

Because of the large group we had the usual Tail Gunner, Mike and Leslie Nehring, and additionally a mid-way Gunner Bruce Freeman to help keep the group together and moving forward, Thanks to Mike, Leslie and Bruce for their help. Also thanks to Bruce for all of his great photos and to Bill Price for the video.

HAVASU 4 WHEELERS, PROUD MEMBERS

- HAVASU 4 WHEELERS TRAIL RATINGS -	
- Mandatory Vehicle Equipment - All vehicles on H4W runs must be 4-wheel drive & equipped with a CB radio, fire extinguisher, first aid kit, tow straps, and front and rear tow hooks or safe hitching point all in working order.	
RATING	DESCRIPTION
1	EASIEST: Passable by stock vehicles. Gentle fairly wide grades.
2	EASY: Use of 2 wheel and some 4-wheel drive. Trail may have some rocks, loose road surface, and ruts but a reasonable line for driving.
3	EASIEST MODERATE: 4-wheel drive with aggressive tire treads. Expect a rough road with rocks and sand that requires lower tire pressure. Substantial sections of single lane.
3¼	MODERATE: Some 4 wheel driving experience needed. Same as above with some use of high and low range gearing. These trails have a rough, rutted surface, rocks and deep sand. Sections may be steep enough to cause traction problems, narrow shelf roads with steep drop -offs and tight clearance between rocks.
3½	HARDER MODERATE: For experienced drivers. At least a 2" lift and 33' tires with aggressive tire tread, one locked differential, high and low range gearing. Potentially dangerous, large rocks, ruts, steep slopes, loose surface and narrow clearances that need to be negotiated.
3¾	HARDEST MODERATE: Skilled experienced drivers only. Same as above with both differentials locked, some strapping/winchng. Very challenging sections, extremely steep grades, loose surfaces, large rocks, deep ruts and tight clearances.
4	DIFFICULT: Highly skilled experienced drivers only. Same as above with belly up, 4 to 1 transfer case or equivalent, skid plates, beefed up axles and suspension system. Probable strapping/winchng. Vehicle width and wheelbase should be considered. Possible body damage.
5	HARD: All of the above. Probable body damage.
